– SOL2LT, SOL4LTR, SOL250M, SCP2LT, SCP4LTR, SCU2LT,

September 2024

Dear Sir or Madam,

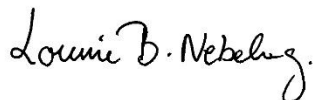

As a result of our drive for continual improvement in the production of all our products we are pleased to inform you that we have updated our surfactant system of our Solopol®, Solopol® PURE and Solopol® EXTRA heavy duty hand cleanser formulas.

Please be ensured that our high cleaning performance stays the same.

For more information, please see our ingredients lists in our new product information sheet.

All productions after 1st August for Solopol®, 1st September for Solopol® EXTRA and 1st October for Solopol® PURE will be the new formulation. The stock code will stay the same.

If you require any further information, please contact your local office or visit www.scjp.com
