## Application guide

				
		FFP 1	FFP 2	FFP 3
<b>Woodworking</b>				
	Grinding and cutting by hand	●		
	Grinding and cutting by machine		●	
	Drilling		●	
	Working with hard-wood e.g. birch or oak			●
<b>Metalworking</b>				
	Cutting, grinding and drilling		●	
	Working with steel and coated metals			●
	Laser-cutting			●
	Welding		●	
	Welding stainless steel			●
<b>Working with Plastic</b>				
	Cutting, grinding and drilling		●	
<b>Working with stone</b>				
	Cutting and drilling		●	
	Cement and Quartz			●
<b>Agriculture/Medical</b>				
	Water based sprays		●	
	Contact with Bacteria/Mould		●	
	Contact with Viruses			●
<b>Automotive</b>				
	Grinding and polishing		●	
	Replacing brake pads or clutch			●
<b>Other</b>				
	Waste disposal/sorting			●
	Allergies	●	●	

From the 1st March 2008, we have phased-out PVC from all of our products and packaging.

Product overview 

These recommendations are made on the basis of guidelines in respiratory protection and reflect the present legislation and knowledge. This information should only be used as a guide, it remains the responsibility of the user to identify all the contaminants and contaminant levels to ensure the correct protection is selected and worn at all times.
